The Government of India sanctions for our Ex-Criminal Tribes Programme is very disappointing. As against our demand for Rs. 12,96,369 they have sanctioned only Rs. 5.95 lakhs. New Schemes have not been considered at all !

Rehabilitation, Housing and
Backward Classes Department.

Under G.L. No. MBC. 2155-J dated the 21st April '55 we had communicated schemes for the welfare of the Ex-Criminal Tribes estimated to cost Rs. 12,96,369/- to the Government of India for sanction. The Government of India have sanctioned grant of Rs. 5.95 lakhs only against these schemes.

The subjoined statement shows the amounts proposed by us and those sanctioned by the Government of India.

(2) drastice reduction has been made in some of our existing schemes particularly those dealing with the economic uplift of the Ex-Criminal Tribes.

X.D.
25/8.

2. The first action that needs to be taken now is to accept whatever grant has been sanctioned by the Government of India and ask the Heads of Departments to go ahead with the implementation of those schemes. There are three issues to be considered in this. Firstly the Government of India have informed that the distribution is not rigid and that the State Government may vary the amount with approval of the Government of India. I have gone carefully through the grans sanctioned by the Government of India. It does not seem necessary to vary the grants sanctioned by the Govvernment of India. Secondly, the Government of India have sanctioned an amount of Rs. 11,400 for a Waghri Boarding house. The Wagris were denotified prior to 13.8.49 and are therefore not treated as Ex Criminal Tribes for the purpos of schemes implemented with he Government of ind sanction. The question of treating them as eligi ble for these schemes along with other communitie treated as Criminal Tribes 5 years prior to 13.8.49 is under consideration. The information collected in this connection shows that along w this community, the Ramoshi community is also i need of such assistance. We may therefore accep the grant but add that a similar amount should earmarked for Ramoshis. The Rayat Shikhan Sans Satara and Gadge Maharaj Seva Samiti have expre ed their willingness to undertaken measures for Ramoshis. Then thirdly the Government of India have dsanctioned a grant of Rs. 19,000 to the Girls Hostel at Shiloda and another hostel at Pochasan. These hostels cater for Pagis, Watan- wadis, Khants and Barias and the case of the lat ter hostel was treated as a special case

P.T.O

of the latter hostel was treated as a special case during the period when the first congress Ministry was in power. We may not object to this grant. The Heads of the Departments may be asked to implement the sanctioned schemes vigorously and ensure that the Government of India grant is fully utilised before the closure of the current year. The accompanying endorsement may issue.

3/- The second action that will have to be taken on these papers is

1) to protest the meagre grants sanctioned by the Government of India; and

2) to inform the Central Government that their condition that the voluntary agencies should bear 20% of the cost of schemes implemented by them is not practicable and will have to be relaxed -

The accompanying draft letter to the Government of India is for approval. The draft at page 57/c may also issue.

This is for consideration if items matter may not be dropped.

Submitted with reference to office note dated the 29/11/55.

2/- Please see the Government endorsement D.D. No. CSD 1755/99887-D, dated the 30-11-55. The D.D. has since distributed the Government of India grant of Rs. one lakh as follows :-

i) Supply of bullocks implements seeds etc. to Ex-Criminal Tribes Cultivators at a concessional rate.	Rs. 48,000
ii) Financial assistance to Cooperative Farming societies of Ex-Criminal Tribes.	Rs. 52,000
Total :-	Rs. 1,00,000

This break up may be communicated to the Government of India.

3/- During this year the Government of India have sanctioned onky an amount of Rs. 1,00,000 for the maintenance of the 5 Industrial Training Centres as against the amount of Rs. 1,55,000 proposed by this Government. The Government of India therefore supplied in full details of theproposed provision of Rs. 1,55,000 and were requested to sanction the additional provision of Rs. 55,000 under this Departmer letter No. MBC. 2155/45341-E, dated the 13.10.55. Please see in this connection the Government of India's letter reply dated 24-11-55,. That Government has declined to sanction the additional grant of Rs. 55,000/- on the groun that it was not possible to raise the existing ceiling of Rs. 7 lakhs for the Welfare of Ex Criminal Tribes . The Government of India have further suggested that the expenditure of Rs. 55,000/- should be financed from the savings due to decrease in expenditure on the Ex-C.Ts. settlement at Hubli, Ahmedabad, Solapur etc.

4/- It is however not clear how the Goyernment of India have anticipated that this Additional grant of Rs. 55,000/- would exceed the ceiling of Rs. 7 lakhs. In fact during the current ye r as against an original proposal for grants of Rs. 12, 96,369 the Government of India have sanctioned a total grant of Rs. 5,95,000 only. Under this Department letter No. MBC. 3068-J., dated the 4 8.55 the Government of India have not yet agreed to the proposal. The total grants therefore still stand at Rs. stand at Rs. 5,95,00. only and the ceiling of Rs. 7 lakhs will not be exceeded by sanctioning this additional grant of Rs. 55,000/-

5/- The five Industrial ~~Xxxxxxxxx~~ Training Centres have started functioning in full swing and Rs. 1,55,000/- is the minimum requirement fot the c.f.y It will not be therefore be possible to restrict ~~th~~ the expenditure to Rs. 1,00,000/- unless some of ~~th~~ the classes are closed down. For the economic up-lift of the Ex-Criminal Tribes and for weaning it is necessary t give them adequate facilities of training in different industrial fields. It will therefore be a retrograde step to discontinue the existing classes. The Government of India have therefore to be persuaded again to sanction this additional grant of Rs. 55,000/-

6/- As there are hardly three months left for the close of the financial year the Jt. Regr. Industrial Cooperatives and Village Industries may be advised to incur expenditure to the extent of Rs. 1,55,000 in anticipation of the Government of India approval

If approved the draft letter and endorsement put up may issue after u.o.r. to the D.D., F.D.

V. D. 27/2

Under G.L., R.H. & V.C.D. No. MBC. 2155/30689-J, dated the 4-8-55, the Government of India was requested to sanction grants on certain additional schemes for Ex-Criminal Tribes which they had omitted under thier previous sanction. The Government of India have now conveyed their sanction to additional schemes at a total cost of Rs. 61,265/- or Rs. 61,000/- in round figures. The sub-joined statement indicates the scheme referred to the Government of India and the grants sanctioned by that Government of India now.

8.	Grant to Harijan Sevak Sangh for their schemes of Rehabilitation of chhara's at Charananagar, Ahmedabad. Encouragement of handloom weaving.	Nil.	Nil
		3,68,459	61,262

2/- It for consideration whether the Government of India need be pressed now for sanctioning the schemes ommitted. As we are now practically at the end of the year we may not press for these schemes. The schemes on which the Government of India have sanctioned grants in aid may be implemented forthwith. It is however doubtful how far the entire grants would be utilised by the end of the c.y.f. To avoid delay orders implementing these schemes may be issued by this Department. A draft G.O. is accordingly put up which may issue after u.o.r. to the Development Department and the Finance Department and the Education Department.

The Grant of Rs. 3262/- to Harijan Sevak Sangh is sanctioned as proposed in G.L., No. MBC 2154/49520-D, dated the 4-11-55.

~~An endorsement forwarding the Government of India's~~

~~letter to the Accountant General Bombay is also put~~

~~up for approval.~~

4/- An endorsement forwarding the Government of India's letter to the Accountant General Bombay is also put up for approval.

5/- The Government of India have not conveyed their approval to the proposal to except the Voluntary agencies from 20% contribution during the current year, vide para 7 of the G.L. dt. 4-8-55.

Contd.

telegram dated 23-1-56 regarding the additional grant of Rs. 55,000 for the Industrial Training Centres of the Ex-Criminal Tribes.

A draft letter on the Government of India on the above points is put up forapproval.

Id/- 15/2/56.

The Government of India sanction has been received late. At this stage, if we decide to sanction the measures approved by the Government of India, we can incur expenditure on mostly non recurring items. Expenditure on remaining items would be small. Thus as against the Central Grant of Rs. 61,262, our expenditure may at the most be as shown below :-

	Central Grant.	Recurring.	Non recurr.	Total.
1) Community cum Recreational Centres.	30,000	2,000	14,850	16,850
2) Training Class for Women.	10,000	-	4,200	4,200
3) Bal- Mandirs.	18,000	-	3,600	3,600
4) Charas of A'bad.	3,262	-	3,262	3,262
	61,262	2,000	25,912	27,912.

2/- The above schemes except (4) are recurring schemes and once sanctioned it will be obligatory on Government to finance the expenditure on their account in future years. Provision has been made in the next Year's budget for scheme No.2 which is also included in the Second Year Plan. The other scheme will have to be financed next year by supplementary demand. In view of the reorganisation of the States it may be that the usual Poona Session may not perhaps be held and there will be difficulty in meeting the expenditure on these schemes in the next year.

I do not think this fear will be entertained. Presentation for supply demand would made possible.

3/- These schemes with the exception of Scheme No 2 will form part of the committed expenditure not included in the Second Five Year. The Government of India are at present under a misapprehension that the Central aid on committed expenditure which does not form part of the Second Five Year Plan. will cease from the next financial year. The possition in this respect is being separately clarified to the Government of India. At this stage, however, it is doubtful whether the Central aid on schemes 1, 3 and 4 will continue. In the Circumstances the Scheme at Sr. No. 2 and 4 only may be sanctioned. The provision for all these schemes exist in the current years budget.

This question was raised in the C.M's meeting with Secretarites, today and the C.M. directed that no proposal for expenditure by taking an advance from the Contingency Fund should be entertained while the Legislature is in session except in cases where it could not at all be postponed. In the light of this the present proposals may be submitted to the E.P.C. and C.M. after the session is over.

Id/- 23.2.56

Id/- 24/2/56.

F & SD (Planning) are of the view that the central aid for committed expenditure could be connected upon during the second Five Year Plan and even the Home Ministry are nearing round this view. We may undertake these schemes.

This may be undertaken.

I would suggest reconsideration of "A" on p. 28-2

We have arranged to put up a number of proposals which have been delayed because of the late receipt of approval from the Government of India or because of delay in the disposal of tenders owing to the need of negotiations and c. In view of the fact that in case any work is not taken up now, the grant would lapse and the expenditure provided for the proposals so lapsing would cause a serious drain on the grants for the xxxxxxxxxxxxxxxxxx years 1956-57, which are relatively speaking on a low scale compared to the amount of grants for the various departments provid ed in the five year of the 2nd Plan.

C.M. may therefore agree that the arrangements which were in existence till recently might continue.

The other alternative would be that M(F) wither on his own motion or at the request of the Minister concerned put up papers for C.M.'s approval. E.P.C. considering them in the meanwhile as usual.

The present proposal may please be approved.

R.H. B.C. Department.

The estimated expenditure of Rs. 27,912 stated in my previous note at page 27 ante was based on the assumption that these schemes will start functioning before 1.3.56. This expenditure is not therefore likely to be incured now. The Expenditure that can be incured before 31.2.56 will hardly exceed Rs. 25,000. Moreover provision for the first 3 items mentioned at page 27 ante has already been made in the budget. There is no questi of withdrawing any amount from the Contingency fund for the purpose. The amount required for the last item -

and the Director of Backward Class Welfare can easily meet it from the grant at his disposal. There is therefore no question of any withdrawal from the Contingency fund. The draft orders at pages 189-196/c- may issue.

The Finance Department may see the notes at pages 28-29 ante for information.

Id/- 2/3/56.

Discussed with the Deputy Secretary, Finance Dept.

Deputy Secretary, Finance Departmentm wanted to know the recurring expenditure that will have to be incurred during the next year on account of our measures sanctioned by the Government of India, The expenditure would be as under :-

1) Community cum recreational centres (Rs. 3120x 6)	18,720
2) Training class for Women.	8,220
3) Bal mandirs. (2340 x 6)	14,040
4) Chharas of A'bad.	1,500
	42,480

A provision of Rs. 10,000/- for item No. 2 has been made in the next Year's budget. For other items no provision has been made. It would be to finance them in the supplementary demand in the next year.

Subject :- Grant-in-aid for the Welfare of the Ex-Criminal Tribes during 1955-56.

Sir,

I am directed to refer to the correspondence ending with the Government of India, letter, Ministry of Home Affairs, No.6/6/55-Public-II, dated the 11th July 1955, on the subject mentioned above. The Government of Bombay regrets to note that a grant of Rs.5.95 lakhs only has been sanctioned by the Central Government against the grant of Rs.12.96 asked for. The grant sanctioned by the Central Government is even less than the ceiling grant of Rs.7 lakhs allotted to this state under Government of India letter, Ministry of Home Affairs, No.6/1/55-Public (II), dated the 17th February 1955. The new schemes estimated to cost Rs.4,72,969/- submitted by this Government do not seem to have been considered, while the provision for some schemes - especially those relating to th economic uplift of the Ex-Criminal Tribes - appeal to be severely pruned down.

2. In paragraph 5 of the Government of India letter dated the 11th July 1955, a suggestion has been made that Ashram Schools should be started wherein efforts should be made to wean the Ex-Criminal Tribe pupils away from their criminal tendencies. It was exactly with this end in view that this Government had proposed to start5 additional Ashram Schools during the current year. The proposal does not seem to have found favour with the Government of India.

3. In the welfare programme for the Ex-Criminal Tribes, emphasis will have to be placed on schemes for their economic uplift. It was for this reason that this Government had enhanced the provision for financial assistance to Ex-Criminal Tribe agriculturists from Rs.63,500 to Rs.1,99,320 and had suggested new schemes estimated to cost Rs.1,51,389 for encouraging cottage industries among them. The new schemes do not seem to have been accepted, while the provision for financial assistance to Ex-Criminal Tribe agriculturists has been reduced to Rs.1,00,000/-.

4. In the circumstances, the Government of Bombay would request that the position may be reconsidered and that grant at least on the following measures may be sanctioned immediately:-

Measure.	Amount required.
1) Opening of 5 Additional Ashram Schools for Ex-Criminal Tribe pupils.	Rs. 2,15,000
2) Organisation of community - cum-recreational centres in Ex-Criminal Tribe localities.	Rs. 33,570
3) Starting of a Hand-loom weaving centre for the Ex-Criminal Tribes at Sholapur.	Rs. 27,000
4) Organisation of Industrial Training Centres at Baramati and Nandurbar.	Rs. 54,350
5) Organisation of a training class in wool-carding and wool-spinning for Ex-Criminal Tribe women.	Rs. 10,039
6) Special repairs to the buildings for Ex-Criminal Tribe hostels at Indi and Ambarnath.	Rs. 10,500
7) Organisation of Balmandirs and creches for Ex-Criminal Tribe children.	Rs. 18,000
	Rs. 3,68,459

5. The details of the provision of Rs.1,55,000 required for the maintenance of the 5 Industrial Training Centres are being called for and will be submitted to the Government of India on receipt.

6. The Government of India have sanctioned a grant of Rs.11,400/- to the Waghri Boarding house. The Waghri community was denotified prior to 13th August 1949, i.e. the date when the Criminal Tribes Act was repealed in its applications to this State. It is not therefore treated as eligible for the benefit of schemes financed from the Government of India grant. The question of treating communities like Waghri as eligible for the benefit of these schemes is under consideration. The survey carried out in this connection shows that there is another community Ramoshis- whose position is similar to that of Waghris. The Rayat Shikshan Sansthan of Shri Bhaurao Patil and others institutions are prepared to start boardings for Ramoshis. While the Government of Bombay has no objection to the grant of Rs.11,400 being paid to the Waghri Boarding house, it would suggest that a similar amount may be earmarked for a boarding house for Ramoshis.

7. In paragraph 6 of the Government of India letter under reference it is stated that if the schemes are entrusted to non-official agencies the conditions mentioned in the Government of India letter, Ministry of Home Affairs, No.57/53-Public, dated the 11th September 1953 should be strictly enforced and complied with by them. Necessary instructions were already issued under this Government Resolution, Education Department No.MBC.2153, dated the 15th October 1953 a copy of which was forwarded to the Government of India. It was also pointed out in this Government letter, Education Department No.MBC.2153/51381-J dated the 15/19th October 1953 that it would be difficult to enforce condition (f) since due to depression and other factors voluntary agencies are not able to bear their 20% share of the cost. The Government of India were therefore requested not to insist on this condition for some

time.....

time. No reply has however been received to that letter, but the Government of India have separately waived the condition of 20% contribution from the voluntary agencies - vide Government of India telegram No.51/12/53-Public, dated 31st March 1954. As the conditions have not changed materially, the voluntary agencies may be exempted from 20% contribution during the current year.

Yours faithfully,

Provision of hostel facilities to pupils belonging to Ex-Criminal Tribes.

Estimated cost during 1955-56.

Recurrent - Rs.66,680 Non-recurrent - Rs. Nil.

Total - Rs.66,680.

Breief explanatory note.- For the educational ~~adx~~ advancement of the Ex-Criminal Tribes, it is necessary to provide adequate hostel facilities to pupils belonging to these tribes. The scheme is divided into 2 parts :-

(a) Maintenance of hostels for Ex-Criminal Tribes pupils through voluntary agencies or District School Boards; and

(b) Payment of grant to voluntary agencies for admitting more Ex-Criminal Tribe pupils to their existing Backward Class hostels.

Under the first part, 7 hostels have so far been opened for Ex-Criminal Tribe pupils as shown below:-

Year	Place.	No.of inmates.	Agency.
1953-54.	(1)Ahmedabad.	30	Voluntary agency.
	(2)Ambernath(District Thana)	30	Do.
	(3)Dondaicha (District West Khandesh).	30	Do.
	(4)Indi (District Bijapur).	30	District Local Board.
1954.55.	(5)Khanapur (District Belgaum)	30	Do.
	(6)Malegaon (District Nasik)	30	~~Rax~~ Voluntary Agency.
	(7)Sholapur.	60(Girls)	Voluntary agency.

Owing to trade depression and famine conditions, the voluntary agencies are not able to collect donations to meet their shape of the cost. It is, therefore, decided to pay them grant on full cost basis, i.e. at Rs.20 per month per inmate. It is proposed to continue these hostels during 1955-56.

The Backward Class Board was of opinion that it was not a very sound policy to segregate ex-Criminal Tribe pupils into exclusive hostels meant for such pupils. The Board was also of the opinion that the ben fit of the above 7 hostels would not be available to a very large number of ex-Criminal Tribe pupils in rural areas who may not find it convenient to join such hostels. To encourage mixed hostels and to induce the voluntary agencies to admit more ex-Criminal Tribe pupils in their existing Backward Class hostels, Government decided to pay them grant at a special rate of Rs.20 per month for ex-Criminal Tribe pupils admitted to such hostels. This proposal forms the second part of the scheme. It is proposed to continue grant at the special rate of Rs.20 per month per pupil during 1955-56.

Expenditure.- The sub-joined statement shows the expenditure incurred on the scheme and the share of the State and Central Government:-

Appointment of propaganda Workers for carrying on Propaganda for the Welfare of the Ex-Criminal Tribes,

Estimated Cost during 1955-56.

Recurrent - Rs.13,500 Non-recurrent - Rs. Nil.

Total - Rs.13,500.

Brief Explanatory Note .- In order to enable the Voluntary Agencies to intensify their activities for the welfare of the Ex-Criminal Tribes, it is decided to allow them to appoint 9 field workers for carrying on propaganda work among the Ex-Criminal Tribes. Generally 3 workers are allotted to each of the linguistic regions of Karnatak, Maharashtra and Gujarath. On account of general trade depression and famine conditions, the Voluntary Agencies have expressed their inability to share their part on the cost on account of the emoluments of these workers. It is, therefore, decided to pay them grants on full cost basis for the present. Each field worker gets a fixed pay of Rs.80 per month inclusive of dearness allowance and Rs.45 as travelling expenses. The scheme has been put into operation during the year 1953-54. During the year 1953-54 only 6 propaganda workers were appointed as under:-

Gujarat	-	1
Maharashtra	-	4
Karnatak	-	1
		6

All the 9 propaganda workers could not be appointed by the Voluntary Agencies, as they could not get suitable persons in time and the total expenditure incurred during 1953-54 was Rs.1,817.

Sir,

Please refer to the Government letter Development Department No. CIP. 1255/80501 dated the 13-8-1955.

2/- As for the submission of revised schemes it is stated that the Government of India has effected a drastic cut in the grants required for the scheme for maintenance of the five industrial train ng centres for the Ex-Criminal Tribes and has sanctioned an amount of Rs. 1,00,000/- only as aginst Rs. 1,55,000/- required. The Government of India have remarked against this scheme that the amount cannot be increased under this for want of details. The details of the expenditure required are given in the Government Resolution, Development Department No. CIP. 1254/92994-B. dated the 29-6-55 (copy enclosed) for ready reference and the same may be forwarded to the Government of India with a request to sanction the additional amounts The training centres have already been organ s ed and they are working satisfactorily. It may not bepossible to accommodate the expenditure on account of this scheme within Rs. 1,00,000/- unless some classes are closed. I am, however, examining the question and would forward suitable pro osals to Government shortly if it is necessary to accommodate the schemes within an amount of Rs. 1,00,00 only. As for the schemes for the grant of financial assistance to the Industrial Cooperative Societies for the Ex-Criminal Tribes it is stated that the Government of India has rejected to sanction grants only in case of the Belligatti Tenant Cooperative Farming, lt., under this head. as this involves deletion of the name of of one

only, I do not consider it necessary to revise the whole system. Secondly I am considering the question as to whether the grant of Rs. 20,000/- should be sanctioned to the remaining 3 societies only or ~~xxxxx~~ should be sanctioned to the remaining 3 societies only or should be sanctioned to some other more ~~xxxx~~ deserving societies. I will, therefore, submit necessary proposals to Government in due course.

3/- The Government orders contained in the para 2 of the Government Letter Development Department No. CIP. 1255/80501-B, dated the 13-8-55 are noted. 2/- All the details furnished by you were already furnished to the Government of India under our letter No. MBC 2155-J dated the 21st April 1955 - Vide pps. 21-22 of the said letter. No additional information has been furnished by you under your above mentioned letter. The Government of India apparently desire to know the cost during the last year on the various items the current year on those and other items if any and the justification of the increase in cost. This justification has not been given by you. Will you kindly furnish the necessary justification at a very early date. ?

3/- As regards the progress report on the scheme for the grant of financial assistance to Cooperative Societies of Ex-Criminal Tribes you should be given information about the Societies that were given grants the expenditure incurred on this grant i aid and the object for which the expenditure was incurred on this grant in aid and the object for which the expenditure was incurred. Your reply to Cl. 7 is also not correct. The Government of India wanted to know whether this is a new scheme orthe expansion of the existing scheme. The Scheme submitted by this Department for supply of bullocks, implements, seeds etc., to ex-Criminal Tribe cultivators at concessional rates was estimated to cost Rs. 1,00,000. However it is seen from the reference from the Rehabilitation, Housing and Backward Class Department referred to above that the Government of India have sanctioned Rs. 1,00,000 for both the schemes viz., the one mentioned above and secondly the scheme for granting financial assistance to cooperative farming societies of ex-criminal tribes is not ~~xxx~~ received from this Department I do not know what were the estimates of cost in that scheme proposed by your Department. I am, however enclosing herewith a copy of the schemes of this Department costing Rs. 1,00,000. On receipt of the details of our scheme adjustments could be made for apportioning Rs. 1,00,000 by proportionately reducing the number of bullocks, implements, premium cows and premum bulls to be supplied to the cultivators. I would therefore request you to kindly send the details of your scheme as early as possible.

Sir,

With reference to your memoranda, No. MBC. 2155/30688-J, dated the 4th August 1955, and No. MBC. 2155/35079-J, dated the 10th August 1955, I am directed to state that the five training centres for the ex-Criminal Tribes at Ahmedabad, Sholapur, Hubli, Gadag and Bijapur, together with the staff, have been contined for one year more from the year 1955-56 ~~xxxxx~~ by order in Government Resolution, No. CIP 1254/92994-B, dated the 29th April 1955, which contain details of the expenditure of Rs. 1,55,00/- for the scheme. The training centres are working satisfactorily. The Government of India has, however, sanctioned a grant in aid of Rs. 1,00,000/- for this scheme. It is not possible to adjust the expenditure of the existing work under the scheme within the grant in aid of Rs. one lakh. The details of expenditure of Rs. 1,55,000/- may be communicated to the Government of India, as indicated in the orders, dated the 29th April, 19 1955, referred to above and that Goverment moved to agree to sanction the additional amount of Rs. 55,000/- . If this additional amount of Rs. 55,000/- is not sanctioned some classes will have to bec losed down. This will disturb the working of the whole scheme as well as it will affect the psychology of the Ex-Criminal Tribes who are to be rehabilitated by training them to earn their livelihood by peaceful and respectable traders I am, thereforem directed to request you to move the Central Government to agree to sanction the additional grant in aid of Rs. 55 (illegible) for the scheme for 195 -56.

2/- I am further directed to state that the proposals in respect of utilising the grant in aid of Rs. 20000/- sanctioned by the Central Government to the Industrial Cooperative societies of Ex-Criminal Tribes, will be received soon from the Joint Registrar for Industrial Cooperatives soon from the Joint Registrar for Industrial Cooperative and Village Industries and orders ther on will be issued in consult tion with the Rehabilitati on, Housing and Backward Classes Department and the Finance Deepartment.

Office of the Joint Registrar
ofor Industrial Cooperatives
and Village Industries.
Poona, 1: 9th September 1955.

My dear Jaeel,

Please refer to your D.O. letter No. MBC 2155-J, dated the 30.8.1955 regarding the expenditure proposed to be incurred on the five Training Centres for the Ex-Criminal Tribes.

2/- The cost during the last year on the various items on account of the five Industrial Training Centres for Ex-Criminal Tribes is as follows :-

(i)	Pay of staff.	Rs. 12,353/-
(ii)	Allowance & Honoraria.	Rs. 10,479/-
(iii)	Contigent Expenditure (including non recurring expenditure on tools, equipment etc.)	Rs. 54,876/-
(iv)	Stipends.	Rs. 23,422/-
	Total :-	Rs.1,01,130/-

As almost all the training classes at the Industria Training centres for Ex-Criminal Tribes started function ing from August September 1954 onwards the provision on account of (i) Pay (ii) Allowance and Honoraria, (iii) Contingent expenditure and (iv) stipends was not fully utilised during the last year. In view of this it is quite obvious that the last year's expenditure cannot reasonably be taken to be the same for the curren year as the centres are to be worked for the whole of th year during 1955-56. The estimated requirements for the current year are as follows :-

(A)	Pay of staff.	Rs. 32,934
(B)	Allowance and Honoraria	
	(a) Dearness allowance.	Rs. 22,350
	(b) Travelling.	Rs. 3,600
(C)	Contingencies.	

(a) Rent, rates and taxes.	Rs. 1,000	
(b) Reapairs, renewals and replacements.	2,500	
(D) Raw materials.		
(a) Carpentry and smithy.	Rs. 20,000	(Rs. 4,000 per class)
(b) Tailoring .	Rs. 10,000	(Rs. 2,000 per class)
(c) Cane and Bamboo.	Rs. 2,000	--do--
(d) Rope making.	Rs. 2,000	--do--

Total :-	Rs. 34,000	

(E) Scholarships.

at Rs. 20/- per month for 20 students in Carpentray and smithy Tailoring cane and Bamboo for 12 months each and for 36 students for 4 months in rope making. Rs. 55,680

Grant Total:- 1,55,064

i.e. Rs. 1,55,000/-

3/- As for the justification for the above estimated expenditure it is stated that the minimum technical staff has been provided for the Training centres and, the grades of pay are on par with those for the same posts in this Department. The Expenditure on pay f staff and allowances and Honoraria is thereefore moderate and there is no scope for further reduction in expenditure. The provision made for (i) Rent, rates and taxes, (ii) repairs, renewals, replacement of old tools and equipment and (iii) stationery postage xxxxxxxxxx sweeping charges and other miscellaneous contingencies is reasonable ascompared to the number of classes organised (12) for the Ex-Criminal Tribes. The provision for raw materials has been made on the basis of the requirements of

raw materials---------- X.D. 28/8.

of raw materials xxxxxxxx provided for the existing schools under this Department and as 20 students are to be admitted in each class, the provision is reasonable. As for the stipends it is stated that the provision has been made at Rs. 20/- per month. It has already been reported to Government that it is necessary to grant stipends at Rs. 25/- per month instead of Rs.20/- per month so that the trainees would attend the class regularly and Rs. 3/- per month can be deduced from the stipends paid to trainees to serve as initial share capital of the proposed cooperatives society which will be formed by them Government orders in the matter are however, awaited. It will thus be seen that the expenditure proposed to be incurred during the current year is moderate.

/- The additional information in respect of the scheme or financial assistance to Cooperatives Societies of the x-Criminal Tribes in reply to the clauses 5(ii) and 7 f the proforma is given in the statement enclosed.

My dear Subramanian,

Please refer to the correspondence ending with your Demi-Official No. Eng. 51(XCT), dated the 9th September 1955 regarding expenditure to be incurred on the Industrial Training Centres during the current year.

2/- I am afraid the explanation given by you in you above letter may not satisfy the Government of India. In the first place, so far as I recollect, the expenditure on these Centres during 1954-55 was much less than Rs.1,01,13(as reported in paragraph 2 of your letter. There is a xx big increase in the provisions for the staff, allowance and stipends during the current year. I think it would be better if justification for the increase is given in the following form.

Item.	Expenditure during 54-55.	Proposed expenditure during 55-56.	Reasons for higher expenditure during 1955-56.
66			

In the last column you can indicate the staff employed last year and the pupils under training last year as compared to those during the current year and given justification in concrete terms for the additional provision required for the current year. I will be grateful if you could furnish this information at a very early date.

Yours faithfully,

My dear Mr. Jaeel,

Please refer to your D.O. letter No. MBC. 2155/41731-E, dated the 18th September 1955 regarding the expenditure to be incurred on the Industrial Training Centres for the Ex-Criminal Tribes during the current year.

2/- As regards the expenditure of Rs. 1,01,130/- reported to hav been spent during theyear 1954-55 on acount of this scheme I may point out that the figure supplied was subject to the reconciliation of expenditure in the Accountant General's Office. The final figure of expen-diture is Rs. 95,524/- as detailed below :-

Item.	Amount spent.
i) Pay of staff.	Rs. 12,353/-
ii) Allowance and Honoraria.	Rs. 10,480/-
iii) Contingent expenditure (including Non recurring expenditure on tools and equipment etc.)	Rs. 50,383/-
iv) Stipends.	Rs. 22,309/-
Total :-	Rs. 95,524/-

3/- Necessary justification for the increase in the provisions for staff, allowance, stipends etc. is given in the prescribed form (statementA) as desired. No additional ~~xxxxxxxxxxxx~~ staff is proposed to be employed and no additional students are proposed to be admitted to the classes. As per the existing scheme 20 students are to be admitted to each of the classes in Carpentry, Smithy, Tailoring at Ahmedabad, Sholapur, Bijapur, Hubli, and Gadag, 20 students in Cane and Bamboo class

at Hubli and 12 students in Rope making class at Sholapur. The duration of the course in carpentry and smithy is 1 ½ years, 1 year in Tailoring and Cane and Bamboo and 4 mont in rope making.

4/- It is expected that the justification given in my D.O. letter dated the 9-9-55 and additional information now furnished will satisfy the Government of India and th additional amount of Rs. 55,000/- will be sanctioned by the Government of India.

X.D. 28/8-

Statement giving justific-ation for the grants required for the scheme for rganis tion of 5 industrial training centres for the Ex-Criminal Tribes during 1955-56.

Item.	Expdr. incurred during 1954-55.	Proposed expdr. during 55-56.	Reasons for high expdr. during 1955-56.
i) Pay of staff.	12,353/-	32,934/-	It will be seen from the statement B enclosed that some of the staff sanctioned for the training centres was appointe in August and September 1954 and some in Oct. Novv 1954 an some of the posts were vacant throughout the year 1954-55. In view of this the expenditure incurred on the pay of the staff and allowances and Honoraria during 1954-55 isxxxxxxx xxxxxxxx only for about a peri of 5 to 6 months. As all the staff has now been appointed in since it will be employed throughout theyear it is necessary to provide for their pa for 12 months with necessary increments due and for the earness Allowance etc. admissible to them.
ii) Allowance and Honoraria to the Staff.	10,480	25,950.	
iii) Contingencies.	50,382	40,500	Out of Rs. 40,500 required fo the year 1955-56, Rs. 34,000/ are meant for raw materials. The estimates of raw material are based on the requirement of the existing schools, conduced by the Department and th the remaining amount is intended for rent, repairsrenewals stationary postage etc. The major pportion of expenditure incurred on the contingencies during the last uear was in respect of purchases of tools and equipment machinery etc. as the centres had to be newl organised. Hence an amount of Rs. 50,382/- was spent under contingencies. During the current year provision has been made only for raw materials and other items as mentioned above.

P.T.O.

iv) Stipends.	22,309/-	55,680/-	It will be seen from the statement attached that out of 12 classes proposed to be started 3 were started in August 1954, 4 in Sept. 54, 3 in Oct. 54, and only one class was run throughout the year. In view of this the stipends to the trainees were paid since the date of organisation of the class only. It has already been stated im my D.O. letter dated 9-9-55 that the provision of Rs. 55,680/- for stipends is calculated at Rs. 20/- p.m. per trainee whereas it is necessary to pay to them Rs. 25/- p.m. which rate wasaproved by Government last year so that Rs.3/- can be collected from their stipends to serve as ~~xxxxxxxx~~ initial share capital for the proposed cooperative society to be organised of the trainees so as to enable them to settle in the industry, in which they are trained. The proposal in this regard has already been submitted to Government and Government orders are awaited. In view of this a provision of Rs. 55,680/- is absolutely, necessary.

To

The Secretary to the Government of India,

Subject : Grant in aid for the welfare of the Ex-Criminal Tribes during 1955-56

Grant for Industrial Training Centres.

Sir,

I am directed to refer to the Government of India letter, Ministry of Home Affairs, No. 6/6/55- Public.II, dated the 11the July 1955, on the subject mentioned above and to say that as against the provision of Rs. 1,55,000 communicated to, by this Government for the maintenance of the 5 Industrial Centres, the Government of India had sanctioned a grant of Rs. 1 lakh adding that for want of details the amount for which the scheme could not be increased. I am to enclose statements showing the expenditure that will have to be incurred on these centres during 1954-55 and the expenditure that will have to be incurred on their maintenance during the current year. It will be seen from these statements that no additional staff is proposed to be entertained nor is the Number of students proposed to be increased during the current year. The expenditure on these centres during the current year exceeds the expenditure incurred during the last year mainly for the following reasons :-

1) Many posts sanctioned for these centres were not filled for a long time during 1954-55 with the result that the expenditure on pay and allowances of the staff was small. As all the staff has now been appointed and employed throughout the year it will be necessary to provide for their pay allowances for 12 months.

2. Some of the classes in these centres were started late during the last year, consequently expenditure on the payment of stipends to the trainees was not heavy. This

expenditure will substantially increase during the current year as all the classes will be functioning during this year. It is hoped that the details now furnished will satisfy the Government of India. I am to request you to move the Government of India to sanction an additional grant of Rs. 55,000/- for the Industrial Training Centres at a very early date. If these additional funds are not sanctioned it will be necessary to close down some of these classes with a view to accommodating the expenditure within the sanctioned amount of Rs. 1,00,000/- . This will be a very retrograde expenditure.

Yours faithfully,

I find from the persual of our papers that though the sanction of the Government of India to

the grant of Rs. 1 lakh for the above schemes was communicated to the Department under your Department Endorsement No. MBC. 2755/ 3688-J, dated the 4th August, 1955, its allocation between the two schemes mentioned in the Endorsement has not yet been finally settled. In invite your attention in this connection to Government letter, Development Department, No. CSD 1755-86281-D, dated the 15th September, 1955, a copy of which has been endorsed to your Department. Orders sanctioning the implementation of the scheme pertaining to this Department will be issued as soon as the amount available for implementation the scheme during the current year is known. I also enclose a copy of my Demi Official letter of today's date to Dr. Shirname in the matter for your information.

As regards provision for the next year I presume that these schemes have been included in the 2nd Five Year Plan by your Department. I am to request you to confirm the above presumption immediately so that necessar action can be taken accordingly. So far the Agriculture and the Forests Department is concerned we have not been able to make any provision for the scheme as part of our cinally approved 2nd Five Year Plan of the Agricultural Sector proper.

Thank you for your D.O. reply No. CRT, 1055/125828-F dated the 19-10-55 regarding implementation of schemes for the welfare of ex-Criminal Tribes during the current year.

2/- The distribution of the grant of Rs. 1 lakh sanctioned by the Government of India under the Head "Agriculture" is to be made by the Development Department in consultation with the Deputy Accountant General and the R.C.S. The Development Department have already been informed in this connection and I understand that distribution will be made very shortly. 3/- As you are aware while preparing the Second Five Year Plan for the welfare of Backward Classes we had xxxxxx proceeded on the assumption that all existing activities would continue and that provision only for additional activities other than new activities or extension of the old activities would be made in the Second Five Year Plan. Supply of bullocks, implements. etc. to the Ex-Criminal Tribes agriculturists at a concessional rate is an existing activity. Provision for this activit on the basis of the current yearly provision can therefor be made by means of Section II New Item in the next Year' budget. May I, therefore, request you to see that Sectio II New Item in this regard is sent to the Finance Department at an early date?. This can of course be done only after the distribution of the provision of Rs. 1 lakh is decided. Immediately after the distribution is decid you may forward Section II New Item for the next year's budget to the Finance Department under intimation to this Department.

I am directed to refer to this Government letter, Development Department (Backward classes , Rehabilitation and Housing), No. MBC. 2155-J, dated the 21st April 1955, on the subject mentioned above, and to state that the programme for the welfare of the ex-Criminal Tribes sent to the Government of India for the current year contains a scheme for the maintenance of Five Industrial Training Centres for the ex-Criminal Tribes at Ahmedabad, Sholapur, Hubli, Gadag and Bijapur under the "Cottage Industries" . The Scheme is estimated to cost Rs. 1,55,000 per annum. The organisation of these centres involves a considerable amount of preliminary wor including selection of accommodation, prepa ation of evi-dents scrutiny of quotations, calling of quotations in th case of items where local purchases are allowed, scrutiny inspection of the the material etc. After the centres are started, a considerable amountof work is involved in the matter of progress reports, about articles, pro-duced articles sold, sale proceeds credited to the trea-sury periodical examination of the students etc. As these centres are meant for the Ex-Criminals tribes and their very early rehabilitation is keenly desired by the Government it is necessary to pay frequent visits to these centres in order to see that the administrative and financial results are satisfactory. Government has , therefore, sanctioned the supervisory staff con-sisting of one District Officer and one peon only at the Head Office under the Joint Registrar for Industrial Cooperatives and Village Industries. The District Office is expected to visit and inspect these centres and guide their working properly. In order to ensure chose

Subsequent

supervision over the centres it is necessary that the senior most Instructor at the Training Centre should be kept in charge of the Training Centre and paid a supervisory allowance of Rs. 20/- per month. The incumbent who will be granted supervisory allowance is expected to supervise on the spot the day to day working of all the classes orgajised at the training centr and to coordinate the working of the classes. He will also be responsible to carry out correspondence on behalf of the centre as one unit and to see that the instructions given to the centre are carried out by all the staff members of the Centre. He will also have to attend to the local purchases of the raw materials sale of finised goods and to carry on such other work for the efficient and smooth working of the Training Centres as a whole. It is therefore proposed to ~~xxx xxxxxxxxxxxxxxxxxxxxxxxx~~ give a supervisory allowance of Rs. 20/- per month to the Senior most Instructors at the 5 Industrial Training Centres. I am therefore, to request you to move the Government of India to approve the proposal made by this Government for the payment of supervisory allowance of Rs. 20/- per month to each of the 5 Senior most Instructors and agree to bear the additional expenditure on these account. The expenditure on this account will be accommodated within the grant of Rs. 1,55,000/- which has been asked for during the current year. The favour of an early reply is solicited."

Dear Sir,

Please refer to you-r D.O. letter No. MBC-2155/45341-E, dated the 13th October 1955, regarding implementation of schemes for the welfare of Ex-Criminal Tribes during the durrent financial year.

2/- Orders regarding the schemes relating to the Industrial Training Centres costing Rs. 1,55,000/- have been issued vide Government Resolution No. CIP-1254/92994-B, dated the 29th April 1955 (copy enclosed). As the Government of India has reduced the grant for implementing the Scheme relating to "Assistante to Industrial Cooperatives from Rs. 25,000/- to Rs. 20,000/- the Joint Registrar for Industrial Cooperatives and Village Industries is requested to revise the scheme so as to accommodate it within reduced provision. Necessary orders will be issue on receipt of ------

on receipt of his proposals. As regards distribution of grants of ruppes one lakh under Agriculture the Registrar of Cooperative Societies has communicated h his requirements in respect of farming scheme to the Director of Agriculture and receipt of consolidated proposals from the latter are awaited.

3/- The schemes for the welfare of ex-Criminal Tribes and scheduled Areas and Scheduled Tribes pertaining to the Cooperative De artment proper excluding the Industrial Cooperatives and Village Industries Section of that Department have not xkx so far been sanctioned. The scheme for the welfare of ex-Criminal tribes are held up for distribution of the grant of ruppees one lakh sanctioned by the Government of Indua under the "Agriculture " between the schemes administered by the Registrar of Cooperatives societies and the Director of Agriculture . As indicated in para 1 above, receipt of the Director of Agriculture 's reply in the matter is now awaited. He is being expedited separately . The requisite orders sanctioning the schemes for Scheduled Areas and Scheduled Tribes in so far as the Cooperative Department proper is concerned. are being issued by this Department in consultation with your department and the F.D. separately. your schemes for the current year have not so far been sanctioned it will become difficult for us to visualise the expenditure on those schemes during the current year and make provisions in the next year's budget on that basis. The Registrar of Cooperative Societies has proposed some provisions for grant of assistance to the Cooperative Agricultural Credit and Multi purpose Societies of ex-Criminal Tribes and Scheduled Areas and Scheduled Tribes in his new items but it is not clear from his new items whether the provisions proposed are only for the new schemes to be implemented during the next year or for old schemes also which are proposed to be implemented during the current year. We are

We are requesting the Registrar of Cooperative Societies and the Joint Registrar for Industrial Cooperatives and Village Indus tries to indicate whether they have proposed necessary provisions for the scheme for the welfare of ex-Criminal Tribes and Scheduled Areas and Scheduled Tribes which have been sanctioned or proposed to be sanctioned during the current year in the next year's budget and if not to propose provisions by means of Section II of new i items.

Dear Shri Umarji,

Kindly refer to your D.O. letter No. CIP- 1255/93863-E of the 10th November 1955 regarding implementation of special measures for Scheduled Tribes and Ex-Criminal Tribes during the current year.

2/- The distribution of the General grant of Rs. 1 lakh between the schemes administered by the R.C.S. and the D.A.G. will have to be settled urgently, otherwise the Government of India grant may not be fully utilised. I think it could be better if the R.C.S. and the D,A.G. meet together and settle the distribution. As both of theme officers are working in poona, there should be no difficulty in arranging a joint meeting of these officers. We can issue orders on the basis of agreed decisions arrived at in this meeting I shall be grateful if you could issue early instructions in this regard.

With regard to provision or the existing sanctioned schemes in the next year's budget I would suggest that you may make provisions on the basis of the grant sanctioned by the Government of India during the current financial year. If this provision is found inadequate or if the Government of India raise their grant additional provision for these schemes can be made in the next year by a supplementary demand. Could you kindly take immediat action in this regard.

Bombay, 21st November 1955.

Please refer to the correspondence resting with the Government endorsement No. CSD 1754/94784-D, dated the 24th October 1955 regarding implementation of the Schemes for welfare of ex-Criminal Tribes during 55-56. The Director of Agriculture has since intimated vide his letter No. 451/8055-C, dated the 9th November 1955 (copy enclosed) that the Registrar of Cooperative Societies of Ex-Criminal Tribes would require a sum of Rs. 52,000/- from the Government of India grant for grant of subsidies to the Cooperative farming societies of Ex-Criminal Tribes. The basis on which you have asked for the aforesaid provision of Rs. 52,000/- is not known to Government. According to the contents of the scheme for grant of financial assistance to Cooperative Societies of Ex-Criminal Tribes forwarded to the Government of India vide item 2 under the head "Agriculture" on page 18 of the Government letter, Development Department (Backward Classes, Rehabilitatin and Housing) No. MBC. 2155-J, dated the 21st April 1955, tencooperative farming societies of ex-Criminal Tribes proposed to be granted subsidies to the extent of Rs. 1,00,000 at the rate of Rs. 10,000 per society. As the subsidies amounting to Rs. 52,000 only are now proposed to be granted to the farming societies of ex-Criminal Tribes in view of the reduction brought about by the Government of India, in their grant is is necessary to modify the scheme for assistance to the farming societies of ex-Criminal Tribes so as to accommodate the expenditure thereon within the grant of Rs. 52,000 sanctioned by the Government of India. Please, therefore, submit your modified proposals in this connection within a week in order to enable Government to pass necessary orders thereon immediately.

2/-.....

X.D. 30/8.

2/- As already indicated in the Government letter, No. CSD. 1755/81064-D, dated the 18th August 1955, the Government of India have sanctioned a grant of Rs, 10,000 only to this State for the grant of subsidies to multi-purpose societies of ex-Criminal Tribes, as against the grant of Rs. 13,500 asked for by us. The Government of India, have sanctioned agrant of Rs. 10,000 for the gran subsidies to the Multi purpose societies of ex-Criminal Tribes to meet the expenditure on management and Secretarial staff only and it is, therefore, necessary to revise the original scheme and hold the societies eligible for subsidy to meet the expenditure on management and Secretariat staff only. Please, therfore, submit you revised proposals in this connection within a week. Only the scales of subsidies to be made available to the societies to meet the expenditure on management and secretarial staff and the number of societies to be held eligible for that subsidy may be indicated in your revised proposals, and the cases of individual societies are approved by the Government. As the time at our disposal to implement the schemes for the welfare of ex-Criminal Tribes in very short during the current year, please submit you proposals called for herein within a week as indicated above withou without fail.

3/- You have been requested to, in my Demi Official letter No. CIP. 1255/93863-B, dated the 10th November 1955, to propose provisions for thenext year's budget for continuance of the schemes for the welfare of Scheduled Areas and Scheduled Tribes and ex-Criminal Tribes, which have been or would be sanctioned during the current year. It appears that it would suffice if the provisions equal to the grants sanctioned for the Government of India for the implementation of the various schemes for the welfare of Scheduled Areas, Scheduled Tribes, and ex-Criminal Tribes during the current yearn are proposed

for the next year's budget for continuance of these schemes. Please, therefore, propose your provisions on this basis in so far as the Cooperative Department proper is concerned and submit your Section II new items immediately.

Sir,

I am directed to invite a reference to the correspondence resting with paragraph 3 of your letter No. 6/6/55-PublicII, dated the 24th Novembe 1955, on the above subject and to state that it appears that the additional grant grant of Rs. 55,000/- has not been sanctioned since the Government of India apprehend that it may entail raising existing ceiling of Rs. 7 lakhs. It is necessary to point out that further that during the current financial year the Government of India have, under their letter No. 6/6/55-Public-II, dated the 11th July 1955, sanctioned to this Government total grants to the extent of Rs. 5-95 lakhs only as against the ceiling grant of Rs. 7 lakhs. If the additional grant of Rs. 55,000 is sanctioned, the total Central grant would be Rs. 6,50,000 is less than the ceiling grant of Rs. 7 lakh The question of ceiling grant being exceeded does not arise.

2/- As has already been pointed out under this Governmen letter No. MBC. 2155/45341-E, dated the 13th October 1955, the provision of Rs. 1,55,000/- is absolutely necessary for running the five industrial Training Centre on the existing basis. Full details of the provision have been furnished under the above letter. The expenditure on the existing scheme is more or less of a committed nature and it will not be possible to reduce it without closing down some of the classes. It will be appreciated that it is not desirable to prune down expenditure on a scheme which is so essential for the economic uplift of the Ex-Criminal Tribes. The five Industrial Training Centres are already in full swing and the additional expenditure of Rs. 55,000/- will not exceed the ceiling grant of Rs. 7,00,000. In the circumstances explained above, the Government of India may please be moved to kindly agree to sanction the additional grant o

grant of Rs. 55,000/- at an early date.

3/- The break up of the grant of Rs. 1,00,000 sanctioned by the Government of Indua under "Agriculture" under their letter No. 6/6/55- Public-II, dated the 11th July 1955 as follows :-

I) Supply of bullocks, implements, seeds, etc. to the Ex-Criminal Tribes Cultivators, at a concessional rate.	Rs. 48,000 /-
